

Cake and Cupcake Information

Our cupcake prices are as follows:

Standard size: \$3.15 each or \$34.65 for a dozen. We request that you order at least one dozen per flavor. (This size is usually filling in the cupcake or on top of the icing.)

Small size: \$2.10 each - please order at least 2 dozen per cake flavor requested. (not filled)

We make and bake most of our products naturally and do not include any artificial colors or flavors, (some of the sprinkles have artificial colors etc.) We typically garnish with sprinkles, nuts, toffee, plain or toasted coconut, caramel drizzle or chocolate ganache. We do not make cupcake toppers. If you want to provide your own, we would be happy to put them on the cupcakes for you.

Flavors can vary from season to season.
